To Whom It May Concern:

Thank you for taking the time, money and effort to support Sheppard Elementary School students and families with your donations.

As we are all aware, school systems are financially undersupplied and funds for many necessities, not to mention the niceties, are scarce. The Parent Teacher Association (PTA) is a non-profit organization with the sole purpose of providing supplemental funds, materials, activities, and opportunities for the children in our community. All funds are used for the sole purpose of providing quality educational products and activities for Sheppard's children.

You, as a supporter via your generous donation, can be assured that all donations are used for rewards, boosting morale, purchasing of materials, events attended by the students, and/or go directly to the students' needs.

Thank you for helping make our children's educational experiences brighter!

I would like to thank you so much for letting me be your "shadow." I really learned A LOT & am not intimidated so much by the radio business after seeing how much fun it is. yet, I also realize how much work is put into every minute live or on the job @ the desk ~~at~~... or about things on your desk.. Also tell Dangerboy Kevin (or im just letting you know) that I had a blast getting to be on air even though I had just a 5 second warning & I found out a lot of neat info including some updates on the globe world of music I knew more than I thought I did sometimes. I hope you have a wonderful career in the years to come. And I will definatly be listening to you all much after well if could go on forever, but I know you a busy woman. It's all about Liz -

Dear Bob:

A quick note to say how much we appreciate all that you and your great Clear Channel radio stations are doing to support the U.S. Cellular C.A.R.E. (Communication Action Recycling Effort) program.

With the help of media friends like you, we have passed the 17,400 mark. By the end of the campaign this month, we hope to have as many as 20,000 old cell phones that can be converted into scholarship money for kids who lost family in the Sept. 11 terrorist attacks. When a final announcement is made in May, you guys should take a bow. It simply wouldn't have happened without you.

I know you get a lot of public service announcement requests. It would be easy to pay lip service to these needs, but obviously that's not your style. The enthusiasm and zest each station put into supporting this campaign speaks volumes about their quality and concern for other people. We applaud you and ask that you extend our sincere thanks to everybody involved.

Dear Bob,

I want to take this opportunity to personally thank everyone for your participation in the mayoral debate. The whole operation was a dream to put together and it came off effortlessly. It could not have been done without the cooperation and work by each and every person involved. I have heard many positive comments from throughout the community on the debate.

I sincerely appreciate the input and help from the representatives from the League of Women Voters, the City of Wichita Falls, Time Warner Cable, Clear Channel Communications and of course the folks here at KFDX-TV. It is also nice to know that when each of you promised something, it was done. I did not have to worry about anything.

I also want to thank the candidates who took part. Mayor Jerry Lueck, Mr. J.W. Martin and Counselor Bill Altman, without you, the debate would not have been possible. I feel we all have been able to inform the voters of Wichita Falls on the upcoming elections.

If I can ever be of service to any of you, please don't hesitate to call.

Dear Liz,

I just wanted to write and thank you personally for your efforts on behalf of Straight Street. As you know, many of the young people who attend Straight Street also listen to KNIN. The advertising and promotional work that you and your staff have done for us has been invaluable in getting the word out about what we do here. Many of our teenagers have said that they heard about Straight Street on your radio station. We had our first rally under my leadership on the 6<sup>th</sup> of September 2002.

Since that time we have seen over 300 young people give their lives to Christ. Although KNIN is not a Christian radio station you have allowed yourselves to be a part of the great commission of Matthew 28:19. Today's youth are faced with many pressures and situations that can cause them to turn to drugs or alcohol for the solution. You have become a partner with Straight Street in offering them a better way. May God richly bless you and I hope that we have the opportunity to continue to work together for "Outside The Box Evangelism" in Wichita Falls.

Sincerely,

Dear Kim:

On behalf of the Wichita Falls Association of Realtors (WFAR), I would like to extend our sincere appreciation for your recent donation. As you may be aware, WFAR elected to use your generous donation in conjunction with the TREPAC Chili Cook-Off held on March 13, 2003 at the Knights of Columbus Hall in Wichita Falls.

TREPAC (Texas Real Estate Political Action Committee) is an important and worthy cause for many reasons. One of the most noteworthy TREPAC functions is the preservation of private property rights in the State of Texas. TREPAC will review every line of the over 6,000 bills that will be submitted during the current legislative session in Austin. Every effort will be made to positively influence all legislation in favor of property owners. This monumental undertaking is critically important to all Texans and part of what makes Texas such a great place. Texas Realtors have made TREPAC a priority for many years now and the results show.

The TREPAC Chili Cook-Off was another financial success and a whole lot of fun! Your generous donation was duly noted for all and much appreciated. Once again, thank you for your most recent and continued support of the Wichita Falls Association of Realtors.

Yours very truly,

Michael Detrick

Dear Manager and Staff

On behalf of the Company Grade Officers' Council (CGOC), I would like to thank you for the tremendous support you provided for our Enlisted Appreciation Day Celebration on 9 May 2003. The music provided by Danger Girl Mindy and Little Meg greatly assisted our event's success. Please accept my sincere appreciation for your unselfish giving.

Without your assistance, our event would not have been such a lively and festive occasion for 1,113 attendees. Your efforts are truly to be commended.

Sincerely,

Dear Bob:

The North Texas Tech Prep/School-to-Work Consortium would like to thank you for allowing students to shadow on Groundhog Job Shadowing Day. This work-based learning experience was a great time for students to observe what different careers have to offer. Job shadowing allows students to see what the real world of work will be like, what type of training they will need before entering a chosen occupation, and how their education relates to the world of work.

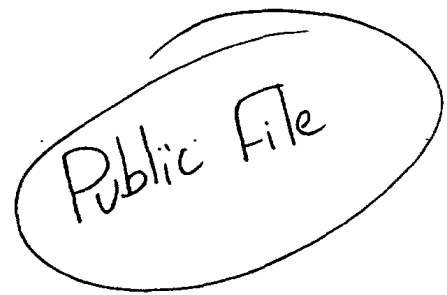

Thank you for making 5th Annual Groundhog Job Shadowing Day a success!

Sincerely,

Stephanie Sullivan, Assistant Director

Dear Chris:

Thank you once again for so graciously sponsoring the Heritage Society's first Historic Homes Tour. The event was a smashing success with a picture perfect day, over 700 in attendance, many from neighboring communities, and over \$10,000 raised to support the Society's preservation projects.

The home tour would not have been possible without the generous spirit and continued support of our city and business community. As we look forward with great anticipation to next year's event we are hopeful that you will consider joining in our efforts once again.

We invite each of you to join us on Thursday, May 3 from 11 a.m. - 2 p.m. for the Grand Opening of the Depot Square Visitor's Center, 503 Eighth Street. Come join us for lunch and visit our Trade Days vendors.

Thanks again. You're the best!
